

Dr. YASSER MAHGOUB

PERSONAL INFORMATION

Name: YASSER Osman Moharam MAHGOUB
Affiliation: Department of Architecture,
College of Engineering and Petroleum,
Kuwait University.
Address: P. O. Box 5969 Safat, Kuwait City 13060, KUWAIT
Date of Birth: October 30, 1956, Cairo, Egypt
Marital Status: Married with 3 children
Nationality: Egyptian
Internet homepages: <http://ymahgou.fortunecity.com>
<http://kuniv.academia.edu/YasserMahgoub>
E-mails: ymahgoub@yahoo.com
yassermahgoub@gmail.com
Telephones: M. + (965) 9954-5031
O. + (965) 2498-7601
F. + (965) 2484-2897

EDUCATIONAL AND PROFESSIONAL

Academic Degrees

1990 Doctorate of Architecture, University of Michigan, Ann Arbor, Michigan, USA.
1978 Bachelor of Science in Engineering (Architecture), Ain Shams University, Egypt.

Professional Record

1999 Associate Professor, Department of Architecture, Faculty of Engineering, Ain Shams University, Egypt.
1999 Assistant Professor, Department of Architecture College of Engineering and Petroleum, Kuwait University.
1993 Assistant Professor, Department of Architecture, College of Engineering, United Arab Emirates University
1990 Assistant Professor, Faculty of Engineering, Department of Architecture, Ain Shams University, Egypt.
1984 Scholarship to D. Arch. Program, University of Michigan, Ann Arbor, Michigan, USA.
1978 Demonstrator, Department of Architecture, College of Engineering, Ain Shams University, Egypt.

Memberships

- * Member of the Egyptian Syndicate of Engineers
- * Member of the Egyptian Association of Architects
- * Member of Kuwait Society of Engineers
- * Founding Members of the Kuwait League of Architects
- * Senior Member of International Association of Computer Science and Information Technology (IACSIT)

TEACHING

- * Architectural Design Studios all levels, including Graduation Projects, and Architectural Design Fundamentals/Basics.
 - * General Architecture Courses: Architectural Professional Practice, Environment and Behavior Research, Human Factors in Architecture, Architectural Research Methods, Post Occupancy Evaluation Research, Architecture in the Middle East, Interior Design, Art Appreciation.
-

RESEARCH

Publications

- * March 2009, Mahgoub, Y. (2009) Socio-Cultural Sustainability of Future Learning Environments. Open House International on: Shaping the Future of Learning Environments: Emerging Paradigms and Best Practices, Vol 34, No.1, March 2009. pp: 68-74.
- * January 2009, Mahgoub, Y. (2009) KUVEYT’TEKİ KONUT YERLEŞİMLERİNDE SOSYO-KÜLTÜREL SÜRDÜREBİLİRLİK. A book chapter on Kuwait urbanization published in Turkish language in MİMARLIKLARIN PAZARYERİ XXII. UIA Dünya Mimarlık Kongresi’nden Seçme Bildiriler Ed. C. Bilsel, A. Ciravoğlu, N. Dostoğlu, A. Erim, D. İncedayı, H. Kahvecioğlu, E. Madran, S. Özaloğlu, T. Tağmat, G. Tümer, H. Yıldız, Ocak 2009, Mimarlar Odası Yayınları, Ankara. pp. 189-197.

- * Mahgoub, Y. (1998) Post Occupancy Evaluation of Elementary School Buildings in Al Ain City, United Arab Emirates. Paper refereed and published in Emirates Journal for Engineering Research, Volume 3 Number 1, pp. 1-12.
- * May 1997, UAE University, College of Engineering, Engineer's Magazine # 15. Published article titled: The Role of the Architect in Society.
- * Mahgoub, Y. (1994) The Use of Hypertext Systems in Architecture. Paper refereed and published in Dirasat Hundasia, Volume 7 Number 1, pp. 78-95.

Presentations

- * May 2009, Invited lecturer at the American University in Kuwait on: “Cultural Identity and Kuwaiti Architecture”
- * April 2009, Aga Khan Award for Architecture Seminar, School of Architecture and Design, American University of Sharjah , Discussant.
- * December 2007, Lecture presented in Al Qurain 14 Cultural Expo organized by The National Council for Culture, Arts and Literature titled: “Architecture and Culture.”
- * December 2006, Lecture presented in Al Qurain 13 Cultural Expo organized by The National Council for Culture, Arts and Literature titled: “Kuwaiti Architecture: Absent and Present.”
- * December 2006, Tenth Conference of the International Association for the Study of Traditional Environments Hyper Traditions. Bangkok, Thailand, December 15-18, 2006. Paper presented titled: Hyper-Identity and Kuwaiti Architecture.

- * February 2006, 1st Gulf First Urban Planning and Development Conference, 20 - 22 February 2006, Kuwait. Paper presented titled: Socio-Cultural Sustainability and Urban Development in Kuwait.
- * February 2006, 1st International Symposium on Environment, Behaviour and Society, People in Place in People, February 9-11, 2006, Sydney, Australia. Paper presented titled: Architecture and the Expression of Cultural Identity in Kuwait.
- * February 2006, 1st Seminar on Tall Buildings Organized by the College of Engineering, UAE University, Tall Buildings in the Gulf: Trends and Challenges, February 4th, 2006. Paper presented titled: Tall Buildings in Kuwait.
- * July 2005, IAPS-CSBE 'Culture and Space in the Built Environment Network' Social Change and Spatial Transformation in Housing Environments Under the umbrella of XXIIInd UIA World Congress of Architecture UIA 2005 ISTANBUL. Paper presented titled: Socio-Cultural Sustainability of Housing Environments in Kuwait.
- * July 2005, UIA2005 Convention. Poster presentation titled: Bazaar ArchitectureS in Planned Cities: The case of Kuwait.
- * May 2004, 9th IACEE World Conference on Continuing Engineering Education, Strategy of Continuing Engineering Education for International Competence and Cooperation, 15-20 May 2004, Tokyo, Japan. Paper presented titled: "Global and Local Requirements for an Objective Evaluation System for Architectural Competence: The Case of Kuwait".
- * December 2002, Eighth Conference of the International Association for the Study of Traditional Environments (UN)BOUNDING TRADITION : The Tensions of Borders and Regions Hong Kong, December 12-15, 2002. Paper presented titled: Making Kuwait: Tradition vs. Modernity.
- * October 2002, The First Housing Conference sponsored by Kuwait Society of Engineers. Paper presented titled: Built Environmental Transformation and Building Regulations in Kuwait.
- * July 2002, THE 17th IAPS Conference - 24 – 27th July 2002 - Galicia, Spain. Paper presented titled: Globalization and Architecture: The case of Kuwait.
- * October 2001, The Fifth Housing Week Awareness sponsored by Kuwait Society of Engineers. Lecture titled: House Design Between Owner and Architect.
- * July 2001, EDRA 32/2001: Old World - New Ideas, Edinburgh, Scotland. Paper presented titled: Old Ideas in a New World: The Case of the Gulf Region.
- * June 2001, IAPS Conference: Culture and Space in the Built Environment Network, Continuity and Development trends in traditional environments, Second International Symposium of IAPS-CSBE Network, Amasya, Turkey. Paper presented titled: The Transformation of Traditional Rural Settlements in Egypt.
- * October 1999, 1st Arab Architecture and Design Convention & Exposition. Lecture titled: Building Performance Evaluation.
- * November 1998, Guest Lecturer, Department of Architecture, Kuwait University, Presentations titled: Introduction to Architectural Design and Architecture in the UAE.
- * March 1998, Dubai Municipality Presentations, Lecture titled: Value and Preservation of Architectural Heritage in Dubai, United Arab Emirates.
- * October 1997, Commonwealth Association of Architects and-Indian Association of Architects, International Conference on Urbanisation and Housing. Paper presented and published titled: Sustainable Architecture in the United Arab Emirates.
- * June 1997, International Housing Conference Housing In The 21st Century, Virginia Tech., Alexandria, Virginia, U.S.A. Paper presented titled: Housing Trends and Prospects of Marginalized Populations in Al Ain City, UAE.

- * May 1997, Development, Environment, and Information Systems in Arab Cities Conference, Tunisia, Tunisia. Under the Supervision of The Arab Cities Organization. Paper presented titled: Visual Pollution in the Arab Cities.
- * June, 1995 Seminar on Preservation of Architectural Heritage in the U. A. E. Dubai, UAE. Paper presented titled: Impact of Modernization on Architectural Heritage in the United Arab Emirates.
- * April, 1995 UAE University, College of Engineering, Engineer's Magazine # 13, Article titled: The Architectural Style in the UAE.
- * November 1994, Healthy Cities Conference, Dubai, UAE., Under the Supervision of The Arab Urban Development Institute, Paper presented and published titled: The Psychological Health of the Arab City.
- * April 1994, Seminar on Islamic Architecture: Evolution and Development Workshop, The Cultural and Scientific Association, Dubai, Paper presented and published titled: Islamic Architecture in the Age of Information.
- * October 1993, International Housing Day, U. A. E. Association of Engineers, Under the Supervision of The Ministry of Housing, United Arab Emirates. Lecture presented titled: Post Occupancy Evaluation Research.
- * December 1990, Shelter and Urbanization Conference, Center for Housing and Building Research, Cairo, Arab republic of Egypt. Paper presented titled: Shelter and the Individual.

Research Grants

- * November 2005 to February 2007. Principal Investigator of a research grant from the Research Council of the Kuwait University. Research titled: "Architecture and Identity in Kuwait". Final research report submitted February 14, 2007.
- * March 1998, Principal Investigator of a research grant from the Research Council of the United Arab Emirates University. Research titled: "Building Performance Evaluation (BPE) at the Global Level- Toward Standardized Methodology & Comparative Analysis- International Consortium on BPE Research".
- * April 1994, Principal Investigator of a research grant from the Research Council of the United Arab Emirates University. Research titled: "Post Occupancy Evaluation of Elementary Schools, Al Ain City, United Arab Emirates".
- * June 1992, Assistant Investigator of a research grant from the Technological and Scientific Research Academy, Construction and Housing Research Division. Research titled: "Evaluation of the Urban Experiences of Cairo Suburbs and their impact on Cairo Downtown- Case study: Heliopolis and Awkaf city"

Training Course

Trainer:

- * "Professional Engineer Exam Training Course – Architecture" A training course offered regularly 4 times per year since 2002 by Office of Career Development and consultation at Kuwait University to Kuwait Society of Engineers.
- * November 2008, "Design Management", OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.
- * March 2008, "Building Performance Evaluation and User Satisfaction", OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.
- * January 2008, "Design Management", OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.
- * March 2007, "Principles of Buildings Planning and Design", OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.
- * February 2007, "Design Management", OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.

- * December 2006, “Smart Buildings”, OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.
- * November 2006, “Projects Programs & Technical Reports”, OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.
- * November 2005, “Projects Programs & Technical Reports”, OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.
- * May 2000, "Post Occupancy Evaluation", Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.
- * October 2002, “Internet Skills in the Work Environment for Architects and Engineers, Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University

Trainee:

- * April 2006, “Advanced Level E-Learning Workshop to Enhance Online Courses Using E-Learning Tools”, Office of Consultation and Career Development, College of Engineering and Petroleum, Kuwait University.
- * December 2005, “Introductory Level E-Learning Workshop to Enhance Online Courses Using E-Learning Tools”, Office of Consultation and Career Development, College of Engineering and Petroleum, Kuwait University.
- * October 2002, “Outcome-Based Course and Classroom Assessment”, " Office of Consultation and Career Development, College of Engineering and Petroleum, Kuwait University.

PROFESSIONAL PRACTICE

* Participated as Consultant Architect for several private and public institutions as jury member, design submissions reviewer, selection of international consultants, value engineering workshops, preparation of design briefs and visions, schematic design, working drawings and construction supervision.

Examples of assignments included:

- * 2002 onward, Consultant for the Office of Vice President for Planning, University Campus Master Planning. Assignments included selection of international consultants for the development of Master Plan for the New University Campus in Shdidadiyah, review of Master Plan phases submissions, and preparation of studies, cost estimates and project implementation alternatives.
- * 2004 onward, Private Universities Council, Private Universities Facilities Evaluation Committee. Assignments included review of private universities facilities designs, preparation of design and planning guidelines, and evaluation of existing facilities.
- * 1990 to 1993, Architect, Commissioned to design several projects in Egypt: Touristic Villages, Industrial Factories, Residential, Schools, Shopping Centers, and Public Buildings. (See list of selected projects.)
- * 1980 to 1984, Architect and Partner "The Egyptian Designers", An Architectural and Urban Design Firm, Cairo, Egypt. Project architect and team member in design and supervision of a variety of projects: residential, recreational, commercial, multi-use, and industrial. Responsibilities included negotiation with clients, contact specialized engineers, management of office administrative affairs, and preparation of drawings, specifications and bid documents. (See list of selected projects.)
- * 1978 to 1980, Architect, Participated in the design of several projects in architectural firms in Cairo, Egypt with several architectural firms.
- * 2000 onward, OCCD - Professional Examination for Kuwait Society of Engineers. Assignments included preparation and procurement of Professional Engineer Architectural exams and training course.

- * May 2001, Member of The Professional Engineer Committee, Kuwait Society of Engineers, Kuwait. Assignments included preparation and review of Professional Engineer bylaws.
- * December 1999, Future Schools for Kuwait Committee, Kuwait Ministry of Education, Kuwait. Assignments included development of future schools in Kuwait vision and recommendations.
- * September 1996, Competition Jury Member, Public Housing Development in Al Ain City, Town Planning Department, Al Ain, United Arab Emirates.
- * June 1995, Competition Jury Member, The UAE National Museum, Town Planning Department, Al Ain, UAE.
- * June 1994, Competition Jury Member, Police Headquarters in Abu Dhabi, Department of Public Works, Abu Dhabi, United Arab Emirates.
- * May 1994, Competition Jury Member, Custom and Services Building in Al Ain, Department of Public Works, Abu Dhabi, United Arab Emirates.
- * January 1993, Consultant, Educational Buildings Organization, Cairo, Egypt. Assignment included review of schools design and development of prototypes.

- **Samples of Architectural Projects**

- * 1992 Arma Food industries Factory (492,000 sq. M.), 10th of Ramadan City , Egypt. Large factory for oil and shortening production composed of several industrial buildings and facilities.
- * 1992 Higher Institute of Agriculture Computer and Training Center, (4,000 sq.m.), Cairo, Egypt. A four story educational building for computer and training.
- * 1992 Private Villa II "Basiony", (450 sq.m.), Hurghada, Egypt. Mid-size villa overlooking the Red Sea.
- * 1992 Private Villa III "Niazi", (180 sq.m.), Hurghada, Egypt. Mid-size villa overlooking the Red Sea.
- * 1992 Bardice Touristic Village (475,000 sq.m.), North-West Coast, Egypt. Touristic village composed of 250 villas, shopping center, 500 apartments, and beach facilities overlooking the Mediterranean Sea.
- * 1992 Ain Shams University College of Medicine, Cairo, Egypt. with Dr. Muhammad Kamel Mahmoud.
- * 1992 The 100 Schools National Project, Egypt. with Dr. Farouk El Gohary.
- * 1991 Sinai Stars Beach (250,000 sq.m.), Ras Sudr, Red Sea, Egypt. Touristic village overlooking the Red Sea composed of 150 rooms hotel and 50 private villas. Project was submitted to the T. D. A. for revisions and was approved.
- * 1991 Sherrylan Touristic Village (18,000 sq.m.), Hurghada, Egypt. Touristic village composed of 100 rooms hotel and 15 villas.
- * 1991 El Shams Club Swimming Pool (6,400 sq.m.), Cairo, Egypt. with Dr. Farouk El Gohary.
- * 1991 Continental-Savoy Complex (10,000 sq.m.), Cairo, Egypt. Dr. Sayed Madbouli & Dr. Abdallah Abdel Aziz.
- * 1990 El-Center Shopping Mall (2000 sq.m), Hurghada, Egypt. Mid-size shopping center composed of several shops, offices, and exhibition areas.
- * 1990 Sultana Beach (14,000 sq. m.), Hurghada, Egypt. Private Recreational complex overlooking the Red Sea.
- * 1990 Cairo Tower Plaza Development (4,000 sq.m.), Cairo, Egypt. with Dr. Sayed Madbouli.
- * 1983 Allam Industrials Exhibition Hall (1,000 sq.m.), Cairo Fair Grounds, Cairo, Egypt.
- * 1983 Egyptian Match Company Factory and Offices (1,500 sq.m.), 10th of Ramadan City, Egypt.

- * 1982 El Aman Residential Tower (10,000 sq.m.), Giza, Egypt. Residential tower composed of 60 luxury apartments, shops, garage, and 1,500 sq.m. Office area
- * 1982 Beau Rivage Center (35,000 sq.m.), Alexandria, Egypt. Residential tower composed of 300 units, shops, health club, and restaurant overlooking the Mediterranean sea.
- * 1981 El Rowad Touristic Village (1/2 sq. kilometer), North-West Coast, Egypt. Touristic village composed of 500 villas, shopping center, 250 rooms hotel, and beach facilities overlooking the Mediterranean sea.
- * 1980 El Marwa Office Building, Cairo, Egypt. Headquarter for Misr Construction Co.
- * 1980 The Italian Hospital Extension (6,000 sq.m.), Cairo, Egypt. Two-ward extension each one contains 40 patients rooms, outpatient clinic, and patients facilities.
- * 1980 Sporting Hotel, Giza, Egypt. with Dr. Sayed Madbouli.

COMMUNITY SERVICES

- **Kuwait University**

- * 2009, Member of the committee for the establishment of New Governmental Universities in Kuwait.
- * 2009, Member of the committee for the establishment of a College of Architecture and Design, Kuwait University.
- * 2004 onward, Council of Private Universities, Member of the Technical Committee.
- * 2000 onward, OCCD - Professional Examination for Kuwait Society of Engineers
- * 2000 onward, Department of Architecture – Design Courses Committee
- * 2002 to 2008, Consultant for the Office of Vice President for Planning, University Campus Master Planning Committee.
- * 2005, Department of Architecture – OCCD Committee.
- * 2001-2003, College of Engineering, Space Utilization Committee
- * 1999 - 2006, Department of Architecture - Program Development and Capstone Courses
- * 1999-2000, Department of Architecture - Academic Events Committee

- **UAE University**

- * Engineer's Day and Magazine Committee (4 terms)
- * Department Committees: Books and Brochure Committee (1 term) - Students' Activities Committee (1 term) - * Students Advising (continuous activity) - Preparation of Teaching Schedules (2 semesters)
- * Supervise Students Practical Training (5 terms)
- * Financial and Yearly Reports
- * Assessment of Department's Personnel and Equipment needs (continuous activity)
- * Department of Architecture Curricula Development
- * Organizing Committee of A Regional Symposium on: Environmentally Sustainable Human Settlements Development In Desert Regions, UAE University and UN- ESCWA.

- **Special Assignments for Professional and Academic Organizations**

- * April 2009, Country Coordinator for the Aga Khan Award for Architecture (AKAA).
- * May 2001, Member of The Professional Engineer Committee, Kuwait Society of Engineers, Kuwait.
- * December 1999, Future Schools for Kuwait Committee, Kuwait Ministry of Education, Kuwait.

- * May 1997, Jury Member, Development of Clock Tower Square, Municipality of Al Ain, UAE.
- * September 1996, Competition Jury Member, Public Housing Development in Al Ain City, Town Planning Department, Al Ain, United Arab Emirates.
- * June 1995, Competition Jury Member, The UAE National Museum, Town Planning Department, Al Ain, UAE.
- * June 1994, Competition Jury Member, Police Headquarters in Abu Dhabi, Department of Public Works, Abu Dhabi, United Arab Emirates.
- * May 1994, Competition Jury Member, Custom and Services Building in Al Ain, Department of Public Works, Abu Dhabi, United Arab Emirates.
- * January 1993, Consultant, Educational Buildings Organization, Cairo, Egypt.
